Dear _____,

You may be aware that _____, participated in an important research project called *Understanding Society* in 2009. The study is concerned with how things change over time and we are hoping to revisit everyone who participated last time, to see how their lives have changed or stayed the same.

Unfortunately, we have been unable to make contact and they gave your name as a contact in the event of any change in their circumstances.

We would be most grateful if you would let us know their current address and telephone number, wherever they are living now. You can call us on Freephone **0800 252 853**, email us at **contact@understandingsociety.org.uk** or complete and return the reply slip below in the Freepost envelope provided – you do not need a stamp.

By giving us _____'s name, address and telephone number you are not committing them to be interviewed. Taking part is entirely voluntary, though we very much hope to achieve an interview with everybody who took part in the previous round of *Understanding Society*, so that our results give an accurate picture of people's experiences. Once we have their new details an interviewer will contact them and invite them to take part.

If you have any questions about the study, please visit **www.understandingsociety.org.uk** or call us using the number provided above.

Thank you for your help.

Yours sincerely,

.....
Your Interviewer
Understanding Society
